

Fulton Safety Committee report: January 9, 2019

(Submitted by Dave Delvoye.)

At its January 29 meeting, the committee will consider a suggestion to use some of its NRP Phase 1 funds for a program to provide residents with motion detector lights and / or surveillance cameras, which were recently recommended by 5th Precinct Inspector Kathy Waite as effective ways to deter the kind of property crimes which are prevalent in the neighborhood. Community members are welcome to attend and participate in this discussion.
