

Notes from the Fulton Finance committee meeting of July 3, 2019

Present

John Finlayson, Ruth Olson, Dave Delvoye

Calendar

There will be two guests at the 7/10 FNA Board meeting: School Board Member Ira Jourdain and a member of the Community Advisory Committee for the Minnehaha Creek Master Plan. There will be two zoning issues – including one from Lutheran Church of the Good Shepherd – on the agenda. The Board also needs to decide whether to invest in either (or both) of the housing programs presented at the June meeting.

Community Engagement committee

The Community Engagement committee is working on the festival plan, lining up vendors and sponsors. There will be no sale of water at the event.

The Ice Cream Social is coming up soon and there will be publicity about it in Fulton Neighborhood News. The new FNA tent will be in use and the new FNA t-shirts will be available. Contact Ruth to volunteer for the event.

Safety committee

The police reports through June 16 are available; for a change, none of them involve crimes committed in business districts. There will be an update regarding the residential security rebate program at the Board meeting.

Notes prepared by Dave Delvoye
