Support Local Small Businesses

Hello friends and neighbors! Our Fulton neighborhood stands strong in the midst of the pandemic. Despite the many challenges, we received so many stories about how we are all supporting each other. In that same spirit, we are bringing you this special, printed edition of our newsletter, to show support and encouragement to our neighborhood businesses.

Our local shops and businesses are part of what makes Fulton a unique and vibrant place in which to live. The Fulton neighborhood and its surrounding business nodes in southwest Minneapolis are home to more than 100 small businesses. These business owners and employees are our friends, neighbors and family. Now they need us more than ever.

Most of Fulton's small businesses have faced severe restrictions on their operations and many have had to close entirely. Most of the business owners are suffering significant financial losses and have had to lay off their employees.

As of May 18, non-critical businesses, like retail stores, were allowed to reopen if they had a social distancing plan and operated at 50 percent capacity. On June 1, restaurants will be allowed to open outdoor dining up to 50 patrons and salons can open at 25 percent capacity.

How can we help?

- *Order online from retail stores for curbside pick-up
- *Buy gift cards
- *Order take out, curbside pick-up, or delivery
- *Tip well, even for take-out orders
- *Stay stocked on local brews at the liquor store or at the brewery
- *Follow local artists and musicians on social media and share their posts
- *Donate to churches, nonprofits and community organizations.

Any patronage you can offer these businesses is greatly appreciated. Please see the list inside this newsletter of the retail businesses, restaurants, salons and other service businesses in Fulton and nearby southwest Minneapolis. We made every effort to make this list as complete as possible and apologize for any omissions. We also have a business directory on our website at fultonneighborhood.org.

Fulton Farmers Market Reopens

Fulton Farmers Market is open, complete with physical distancing, hand wash stations, masks, pre-orders, and of course, tons of great food! Sign up for the weekly newsletter (neighborhoodrootsmn.org) which is emailed on Wednesday morning. That's where you'll find links to pre-order from your favorite vendors. You can even pick up at the pre-order tent if you like.

SHOP SAFELY - Please follow these guidelines:

- *Stay home if you (or someone in your home) is sick
- *Wear a mask
- *One shopper per household
- *Be efficient - bring a shopping list!
- *Wash your hands
- *Maintain a 6ft+ distance from other folks
- *Let vendors serve you - do not touch product you have not purchased
- *Do not eat or drink at the market - all food/drink is take out only
- *Preorder & pay online (if possible) to speed transaction time and reduce virus spread through handling of money, credit cards, etc.

I Spy with My Little Eye in Fulton Neighborhood...

We noticed how many fun and interesting things that Fulton neighbors have in their yards, porches and windows and decided to make a game of it! As you are out for a walk, can you “spy” all of these things? Some things are very unique and may only be in one spot; others might be in several places around the neighborhood. We’ve provided hints at the bottom for some of the items. Please remember to spy with your eye and not with your hands to keep everyone safe, remain on the sidewalk and maintain an appropriate social distance. Have fun! It might take you *several* walks to find everything! Thank you to our Fulton Block Contacts who sent in lots of interesting suggestions.
