

Fulton Safety Committee report: June 9, 2021

Crime reports from May 11-June 8

May 25: Theft of Motor Vehicle Parts, 4900 block of Washburn. (311 Report) Victim stated at about 1am on Thursday morning on the street in front of her house two people jacked up her car and sawed off the catalytic converter. No evidence was left behind. By the time they turned on the lights they were gone.

May 27: Theft of Motor Vehicle Parts, 5100 block of Queen. (311 Report) Victim stated he parked his car on the street overnight. When he went to turn it on the next morning he noticed a loud noise that hadn't been there before. When he took it to his auto mechanic the next day they told him someone stole his catalytic converter.

June 4: Recovery of Vehicle, W. Lake Harriet Pkwy/Russell Ave. Officers recovered an unoccupied stolen vehicle out of St. Paul.
